THE VIRGINIA CLASSIC

LLAMA & ALPACA SHOW

*March 15-16
Lexington, Virginia*

Virginia is for Alpaca Lovers

THE VIRGINIA ALPACA OWNERS AND BREEDERS ASSOCIATION has a love affair with alpacas!

Alpacas are a dynamic, growing and profitable industry in the Commonwealth of Virginia. To continue our progress, VAOBA provides marketing and economic opportunities for the Virginia alpaca industry through shows, public relations events, and youth programs.

For our members, VAOBA hosts networking opportunities for active and future breeders. Members receive special discounted rates to attend educational seminars throughout the state in areas of alpaca husbandry, farm management, and herd health. VAOBA's collaboration with state, local governments and civic organizations has increased awareness of alpacas and alpaca products, further developing our industry.

Virginia is a perfect place to raise alpacas! VAOBA strives to maintain a spirit of fun and trust for all of our members, families and friends. Visit a VAOBA breeder, talk with them about how working together we are raising some of the highest quality alpacas you'll find in the world and loving every minute of it.

- 261. Junior Obstacle
- 262. Intermediate Obstacle

Versatility Champion and Youth Champions awarded if there are enough entries.
Ring 4 will continue on Sunday in class order if necessary.

THE • VIRGINIA • CLASSIC

Judges

June Black
Hillsborough, N.C.
Fiber & Fiber Arts

June Black is a fiber artist, ALSA-certified Llama Fleece Judge, ALSA Llama Fiber Committee Chair, home school teacher and web site designer. She began raising llamas in 2001. She has co-superintended the ALSA Grand National Fleece Show since 2005.

Patty Fischer
Warsaw, Ohio
Llama Halter

Patty Fischer is a Level III ALSA judge. She and her family started with llamas in 1997. They've been active in 4-H, ALSA open class showing, and futurities and have had a fun time learning new skills in the effort to raise better show animals that can compete in both ALSA and futurity showings, and improve the quality and diversity of the fiber types on their farm.

We learned very early that selection of quality bloodlines and breeding stock are important. Also, education of the general public as well as to our buyers is a must. We support rescue efforts, and educate in an attempt to prevent potential rescue situations.

Their farm, Village Llamas, is small with typically less than 25 llamas at any given time. Since 1997, they have owned or produced multiple state, regional and national champions including seven ALSA Halter Champions in addition several futurity Top Ten winners.

Stephanie Glyptis
Weirton, W.V.
Suri Alpacas, Fiber Futurity & Performance

Stephanie Glyptis has a degree in Animal Science from West Virginia University. While at WVU, she was a member of the collegiate

dairy judging team. After graduation, Stephanie became the herd manager for the largest alpaca farm in West Virginia. Her love of alpacas and judging led her into the Judge's Training Program. She became an AOBA Certified Judge in 2006.

Stephanie and her husband, Phillip, live in Weirton, West Virginia, where they run Solimante Alpacas and Consulting.

Kevin M. O'Leary
Stark, N.H.
Huacaya Alpacas

Kevin and his partner Deborah Shields, along with her folks, established RiverView Alpacas in 1997. RiverView is now home to 50 alpacas.

Committed to the alpaca industry, Kevin has served on various AOBA committees including the Affiliate, the Nominating and the National Conference Planning. He is currently serving on the Judge Advisory Committee.

Kevin is one of the founding members and President of N. E. Alpaca Tours, a non-profit corporation that organizes the North American

Alpaca Show. To date, N.E.A.T. has donated over a quarter of a million dollars to alpaca research and education.

Having successfully completed the AOBA Judge Training

Program in 2004, Kevin received certification in halter, fleece and performance judging for both Suri and Huacaya alpacas.

Kevin is currently judging alpaca shows throughout the country and is involved in speaking, consulting and in the organization of alpaca shows and auctions.

Cathy Songer
Blacksburg, Virginia
Spin-Off & Fiber Arts

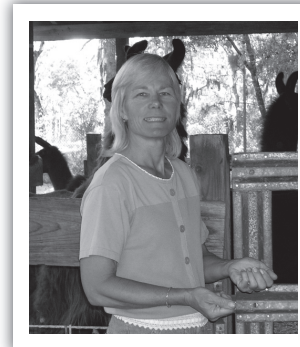

Cathy Songer lives on a small farm in southwest Virginia near Blacksburg with her husband and son, tending her ever evolving herd of fiber animals that she uses for handspinning. She has been a spinner for nearly 22 years and is the owner of a fiber arts studio where she teaches classes in spinning, felting, and knitting.

Cathy loves sharing her passion for fiber arts with others and has spent many hours volunteering in public schools and civic organizations demonstrating the wonderful uses for natural fibers.

She has been judging Spin-Offs and Hand-Made competitions since 2003, including AOBA Nationals, and several large regional shows in Virginia, Ohio, North Carolina and Tennessee.

Tracy Weaver
Hudson, Florida
Llama Youth & Performance

Tracy Weaver has spent 26 years in Florida raising a wonderful family of three children. Her real life career is an Agriculture teacher for high school and middle school ages. She presents the youth at her school a llama program twice a year.

She began her llama career in 1995 by investing in several llamas. The family started showing the animals at the Florida State

Fair in 1996 and were instantly hooked. They began showing on a regular basis at local fairs and a few Southeastern shows.

In 2001, Tracy began attending judging workshops to certify as a llama judge and is now a Level I ALSA judge.

Recently remarried she and her husband are enjoying the llama community together.

Currently, she is the president of our Florida Alpaca and Llama Association, and is on the llama committee for the Florida State Fair Youth Llama Show. As an Agriculture teacher, .

Tracy has enjoyed the many years in the llama world and hopes that each of you will enjoy the show and have a great time during your show experiences.

	Laura Wood	Nikki Schiltz

Youth teams of three or more members compete for high score throughout the day. The teams have predetermined whose placements will be applied to their overall team score. Three members per team per class (showmanship, public relations, obstacle and pack) regardless of age division, will count. In addition to the points earned in their regular classes, a quiz is given to the teams where all team members are encouraged to help answer. Junior and Intermediate points will be counted the same as the ALSA point schedule. To weight it properly, Senior's points will be awarded as follows: 1st = 5, 2nd = 3, 3rd = 1.

THE VIRGINIA CLASSIC

Alpaca Show

Halter classes are being evaluated on a 50/50 basis. (fiber/conformation).

Only classes with 16 or more entries have been split. When there were at least four entries per color designation with a color group classes were split by color. Otherwise the classes were split equally by age. Suri classes have been combined using the appropriate combining rules.

Black	Brown	Fawn	Light	Indefinite	Grey	Multi
TB True Black	DB Dark Brown	DF Dark Fawn	LF Light Fawn	ID Indefinite Dark	RG Rose Grey	Paint
BB Bay Black	MB Medium Brown	MF Medium Fawn	BE Beige	IL Indefinite Light	SG Silver Grey	Appaloosa
	LB Light Brown		W White			Fancy

Color Champions will be awarded in huacaya Color Groups with a total of 10 or more entries.

A Suri Color Champion will be awarded in a consolidated Solid Color Group.

101: Black Juvenile Huacaya Female

ALPACA WALKING FLEECE

Fiber Futurity

The purpose of a futurity typically is to speculate on the stars of tomorrow. Emphasis is placed on the young to evaluate their potential impact on the next generation. This year marks the debut of the **Virginia Classic Alpaca Walking Fleece Fiber Futurity**. It is open to alpacas 6 to 18 months of age in full fleece. While conformation should never be disregarded, this futurity is to be judged 100% on fiber on the alpaca by two judges (**June Black** and **Stephanie Glyptis**) for a combined score. Four places will be awarded in each class with a cash price of \$200 to first place in all classes and \$100 awarded to second place in classes of eight or more. An overall "Best in Futurity" will be selected. All awards will be presented during dinner Saturday night.

"Best in Futurity"

Judging is scheduled to take place Saturday from 8:30 a.m. to 1 p.m. Brown and Fawn entries should be evaluated early to avoid conflict with your halter classes. Blacks animals should be evaluated after they are judged in the ring. A posted order may be established to keep the entries moving along. Please check in with the fiber judge or helper to find out when you should have your animals brought up for evaluation.. It is your responsibility to have your animal evaluated during the judging time frame. This is not an AOBA-certified event.

JUDGES LOVE US! COME FEEL WHY!

Our alpaca herd represents lineages that consistently produce champions the world over including 4PLegacy, Royal Fawn, Danko, Snowmass Invincible, Macusani, Augusto, Hemingway, Caligula, Prince Phillip, to name a few. Our Peruvian alpacas exemplify the best of Accoyo, Alianza & Sollocota imports and will enhance any farms breeding program whether new or veteran breeders.
